Welcome to Mature Friends!

Should you wonder, **we do not publish a membership list** except for use by our board of directors. On rare occasions, another organization will arrange with our board to mail an announcement to our membership. In these cases, they provide us with stuffed and sealed envelopes. We create and apply the address labels ourselves. Your membership in Mature Friends is protected.

Mature Friends does have what we refer to as an **Activities List**. Members who wish to participate are provided on the other side of this form a means to indicate some of their interests such as Bridge, Theater, Travel, Computers, etc. The Activities List is distributed to other members of record after annual dues are paid, usually in September. This list does not mention Mature Friends. It contains a simple "Activities List" heading with participating members' names and phone numbers and interests, including email address.

If dues are not paid during the month of July the member's name will be dropped from this list.
